

WE WILL COVER ALL THE BASES

Our guest speakers will be speaking on a variety of subjects that cover a large portion of coaching baseball both on and off the field. Each session will be approximately 30 minutes in length with time allotted for questions and/or discussion. The morning session will consist of classroom type lectures covering fundamental development in various areas of baseball. Topics included will be:

- Fielding Fundamentals
- Hitting Approaches & Concepts
- Bunting and Base running basics
- Perfection in Pitching
- Developing a Winning Program
- Psychology of Baseball
- "Baseball Between the Lines" (all the little things!!)

The afternoon session will consist of lectures covering our baseball strength and conditioning program, "Coach/Umpire Relations," and the demonstration of individual and team drills performed by the SCSU Husky players!
