

Northwestern Suburban Basketball League (NWSBL)

TOURNAMENT RULES

1. All teams need to arrive 15 minutes prior to the estimated start time of each game.
2. Good sportsmanship is a MUST. We expect all teams, coaches and parents to be courteous to all other teams, coaches and referees before, during and after tournament games.
3. Only the head coach can be standing in the bench area; with one assistant coach sitting on the bench the entire game.
4. The NWSBL rules will be strictly enforced during all tournament games. Teams attempting to violate such rules will be first warned and subsequently receive team violations, which could result in a team forfeit, if added attempts are made at violating the rules.
5. The referees of the NWSBL and managing program committee members have the final say on all game disputes.
6. Official tournament score books will be used at all sites. Coaches will need to add team information prior to the start of the game. As with regular season games, each team is to designate one volunteer to take on scoring and keeping score.
7. There will be a winner in every game; there will be NO ties.
8. The first, second, third and consolation place teams will receive trophies. This is in part to each team successfully winning at least two tournament games. There will be no friendship games.
9. No outside food or drink will be allowed into the school for any given team or individual.
10. Have FUN and enjoy the tournament games!
